

QUALITY. FIELD-PROVEN. AFFORDABLE. EXPERIENCED.

Comfortable saddle and easy to use seat slider. Infinite fore/aft adjustments and 14 height settings.

Dual-side pedal with SPD compatible cleat on one side and toe-clip on the other side.

Oversized cartridge bottom bracket with 10-spline spindle, designed to withstand rigorous use.

Multi-position handlebar with water bottle holder, which can expand to fit oversized bottle.

Unique ratcheting resistance lever that is easy to operate and is also the emergency brake.

High quality 10 groove v-belt drive makes this cycle smooth to use and simple to maintain.

ROBIX

SPECIFICATIONS

Frame: Oval shaped 40x80mm large & heavy tubing with rust inhibitor coating, protective bellow on stem and seat-post. Newly redesigned for easier step-through. **Flywheel:** 440mm, 47 Lbs (21kg) balanced with sealed bearings. **Drive Train:** 10 groove V-belt. **Crank:** Very high yield strength and heavy duty 3-piece design. **BB:** Oversized cartridge bearing, 10 spline spindle. **Pedals:** Dual-side pedal with SPD compatible cleat on one side and toe-clip on the other side. **Handlebar:** Large diameter tubes with textured rubber coating and multi-position cross bar. Now with expandable water bottle holder. **Seat:** New comfort saddle; 2 piece slider unit with infinite fore/aft adjustments; 14 height adjustments. **Brake lever:** Unique ratcheting design. **Braking system:** Top-loaded Nova brake pad system that is smooth and allows for progressive pressure. Includes an additional spring, which can reduce the braking progression. **Warranty:** 10yr frame weld, 2yr mechanical, 6mo wearable. **Fit dimension:** From 4'10" (147cm) to 6'5" (196cm) tall.

OPTIONAL PARTS

Cycle Computers

A fun way to keep track of progress. Selection includes wired or wireless, with or without cadence models.

Laid-Back Handlebar

Extends back by 1" more than the standard handlebar, thus giving smaller riders a more comfortable position.

Specialty Saddles

Multiple options of saddles to create customized experience for your members: from sofa-comfort to speed-saddle.

Triathlon/Time-Trial Handlebar

An indispensable option for hard-core athletes who want to simulate outdoor time-trial experience.

WE CAN SUPPLY YOUR PRO-SHOP!
